

**PROGRAM
15. KONFERENCE**

O UČINKOVITI RABI ENERGIJE

**četrtek, 13. november 2025,
Kongresni center Brdo pri Kranju**

PROGRAM KONFERENCE

8:30 – 9:00

Prihod in registracija / Conference registration

9:00 – 9:15

Uvodni pozdrav / Welcome speech

Gregor Kustec, direktor ENEKOMa

9:15 – 11:00 – Sekcija 1

Energetska učinkovitost in zeleni prehod v podjetjih in javnih zavodih

Energy Efficiency and the Green Transition in Companies and Public Institutions

Sandi Vitanc, Gorenje

Energija prihodnosti: izzivi in strateška pot multinacionalke

Energy of the Future: Challenges and the Strategic Path of a Multinational Corporation

Darja Cizelj, DUO Impoljca

Energija in okolje kot pomembna gradnika multidisciplinarnega delovanja javnih socialno varstvenih zavodov

Energy and the Environment as Key Pillars of the Multidisciplinary Work of Public Social Welfare Institutions

dr. Marjetka Levstek, JP CČN Domžale – Kamnik

Čistilne naprave prihodnosti bodo energetska samooskrbne

Wastewater Treatment Plants of the Future Will Be Energy Self-Sufficient

dr. Igor Mihelič, Melamin d.d. Kočevje

Na poti v brezogljično prihodnost,
primer podjetja Melamin d.d. Kočevje, 2. del

*On the Road to a Carbon-Free Future:
The Case of Melamin d.d. Kočevje, Part 2*

Simon Kragelj in Sašo Seljak, Alpacem

Cementna industrija kot nosilec zelenega
prehoda v gradbeništvo

*The Cement Industry as a Driver of the Green
Transition in Construction*

11:00-11:25 **ODMOR ZA KAVO / Coffee break**

11:25 – 12:30 - Sekcija 2

**Izzivi in priložnosti
sistemov upravljanja z energijo**
**Challenges and Opportunities of
Energy Management Systems**

dr. Boris Sučić, IJS, CEU

Napredni modeli nakupa električne energije

Advanced models of electricity procurement

mag. Erik Potočar, MOPE

Izzivi nove regulative in spodbude na področju
zelenega prehoda za gospodarstvo in javni sektor

*Challenges of New Regulations and Incentives in the
Green Transition for the Economy and the Public Sector*

Gregor Kustec, ENEKOM

Aktivni energetske menedžment - kje smo in kako naprej?

Active Energy Management - Where Are We and What's Next?

12:30-12:50 **ODMOR ZA KAVO / Coffee break** 

12:50 - 13:55 - Sekcija 3

Tehnike energetske učinkovitosti
Energy Efficiency Techniques

Rok Seršen, ENEKOM

Centralizacija in digitalizacija: sinergije za učinkovitejše upravljanje javnih zavodov

Centralization and Digitalization: Synergies for More Efficient Management of Public Institutions

Janez Trošt, Termoteh

Energetsko učinkoviti projekti, od ideje do izvedbe

Energy-Efficient Projects, from Idea to Implementation

Jaka Dolenc, ENEKOM

Eneeye - 4. generacija informacijskega sistema ENIS

Eneeye - 4th generation of the ENIS information system

14:00 **KOSILO / Lunch** 

Povezovalac konference
Rajko Leban
